

**This franchisee operated store location will close effective Friday, December 3, 2010.**

We sincerely apologize for the inconvenience that this store closure may cause.

The Graeter family remains committed to serving our Kentucky customers and plans to open company-owned Graeter's stores in Kentucky, which may include reopening a store at this location. Graeter's will announce its plans for continuing to serve its Kentucky customers in the coming weeks. We thank you for your loyal patronage and your patience as we prepare to move forward.

If you have purchased a Graeter's Gift Card at this location, Graeter's will continue to honor your gift cards at all of our 29 Ohio, six Louisville, and two Indiana Graeter's retail stores, as well as at any new company-owned stores in Kentucky.

Again, we apologize for this inconvenience, and hope to open at a nearby location—better than ever—by early next year.

Sincerely

*Richard Graeter*
